

'PARTNERS FOR HEALTH' 2019

Grants are available for projects that can demonstrate:

- Positive outcomes for people facing significant barriers to health and wellbeing
- A new approach or a thoughtful development of service
- Working in partnership with an expert health agency/provider.

Who can apply?

- Registered charities in London
- Supporting people with long-term health conditions
- Priority given to charities with an annual income of <£500,000 and which have not previously received a 'Partners for Health' grant.

Successful projects...

- Are clear about what they want to achieve and how
- Will be working with an experienced health agency or provider
- Are knowledgeable about the sector and area in which they operate
- Will be willing to disseminate to others their project's outcomes and findings.
