

# 'PARTNERS FOR HEALTH' 2020

## Grants are available for projects that can demonstrate:

- Positive outcomes **for people facing significant barriers to health\***
- A **new approach** or a thoughtful **development** of service
- **Partnership** between health and community organisations.

## Who can apply?

- Registered charities in London
- Supporting vulnerable people to improve their health or manage long-term conditions
- Priority is given to charities with an annual income of <£500,000 and which have not previously received a 'Partners for Health' grant.

## Successful projects...

- Will be clear about what they want to achieve and how
- Work in partnership with an experienced health agency or community partner
- Are knowledgeable about the sector and area in which they operate
- Will be willing to disseminate project outcomes and findings.

## Grant details

- Grants range between £3,000 and £10,000 ( in previous years the average award is £5,000)
- Usually for one year beginning in 2020.

## How to apply

Apply online via the London Catalyst website [www.londoncatalyst.org.uk/grants](http://www.londoncatalyst.org.uk/grants)

## The deadline for applications is 5:00pm on Thursday 21 May 2020\*\*

- Shortlisted applicants will be informed by **29 May 2020**
- Shortlisted applicants will be invited to present to an interview panel
- **Interviews will take place on Monday 8 June 2020**
- A final decision will be made after the interview.

\*This can include people with disabilities, age related and long term progressive health conditions and those experiencing homelessness

\*\* It is advisable to submit applications in good time. No applications will be accepted after the closing date

### *Case Studies of previous 'Partners for Health' projects*

**The Magpie Project:** £6,500 to investigate barriers and facilitators to accessing health services for parents of under-fives living in temporary accommodation through a "citizen and participatory science" approach facilitated by a UCL PhD researcher

**Vision Care for Homeless People:** £5,440 to pilot a mobile optician's service for homeless people, providing sight tests, eye screening and glasses for 200 homeless patients.

**Eastside Community Heritage:** £8,341 to work with clients with long-term health conditions and engage them in heritage-related activities exploring the theme of health and wellbeing including reminiscence sessions and exploring how ideas of health and wellbeing have changed over time.

**Headway West London:** £6,000 for an Outreach Link Worker to develop collaboration with St Mary's Hospital trauma unit, to involve survivors of acquired brain injury and their families in supporting their rehabilitation.

**E17 Puppet Project** £5,774 to co-produce a community arts project, lesson plans and resources with young people living with sickle cell disease attending the Rainbow Centre for blood transfusions
