

PARTNERS FOR HEALTH 2024

IS YOUR CHARITY TACKLING HEALTH
INEQUALITIES?

Our 'Partners for Health' grants are now open for applications for projects that can demonstrate:

Positive outcomes for people facing significant barriers to health*
A new approach or thoughtful development of service
Partnership between health and community organisations.

Successful projects

- Be in partnership with a health agency or charity partner,
- Are knowledgeable about the sector in which they operate,
- Will share project findings.

Grant Details

- Grants range between £3,000 and £15,000 (the average award is £8,000)
- Usually for one year beginning in 2024.

Who can apply?

- Registered charities in London,
- Supporting vulnerable people to improve their health,
- Priority is given to charities with an annual income of <£500,000.
- Previous grantees are welcome to apply if developing a new initiative.

*This can include people with disabilities, age related and long term progressive health conditions and those experiencing homelessness
